Biography

Anca-Madaline Dinu obtained a certificate in business law from the Faculté de l'éducation permanente at the Université de Montréal in 2023, thus solidifying her expertise in corporate law, emerging technologies, and financing.

She assists in drafting resolutions and preparing documents for incorporation, modifying articles of incorporation, mergers, corporate and tax reorganizations amendments to corporate by-laws, drafting capital structures, as well as business acquisitions and sales. She reviews minute books as part of due diligence reviews, and also oversees corporate updates for several groups of companies.
