Biography

BAR ADMISSION

Ontario, 2020

EDUCATION

- J.D, University of Windsor, 2019
- B.ED, Lakehead University, 2012
- B.A. (Hons), University of Toronto, 2011

Daniel's practice encompasses all aspects of construction and infrastructure law, including contract negotiation, drafting, and litigation. He represents industry stakeholders such as owners, developers, contractors, and engineers in drafting procurement documents, construction contracts, and professional services agreements. An experienced litigator, Daniel handles mediation, arbitration, adjudication, and litigation involving commercial disputes, lien claims, trust claims, and delay claims. Committed to achieving positive outcomes, he employs a proactive approach to minimize costs and disputes for his clients. Active

within the legal community, Daniel is a proud member of several industry associations. His commitment to professional development and networking reflects his dedication to staying at the forefront of legal trends and practices.
