FORMATION

- J.D., Queen's University, 2023
- Bachelor of Arts, Western University, 2019

Harrison is building a business law practice focused on commercial lending and private business transactions. He has assisted clients on various transactions including corporate lending, acquisition financing, asset-based lending, real estate financing, wholesale automotive financing, as well as general corporate and commercial matters.

Harrison tailors his legal services to meet the distinct needs of each client, and is committed to ensuring high quality and efficient representation.
