LANGUES

Anglais

James Bromiley is an experienced lawyer with a broad practice covering civil and commercial litigation. He focuses on short and long term disability claim, property and casualty insurance, personal injury, motor vehicle, employment, and environmental law matters. James identifies sound, practical business solutions for his clients, resolving disputes through consultation and negotiation before litigation becomes the only viable

option. He adopts a problem-solving approach to address client concerns in a pragmatic, professional, and results-oriented manner.

James stays engaged in legal discourse through his contributions to various esteemed publications. He is committed to staying at the forefront of legal innovation and sharing his insights with the legal community.

James is an active member of various legal and professional associations. His experience and knowledge in insurance law and commercial insurance has been recognized by prestigious entities, solidifying his reputation as a trusted legal professional in Canada.
