Biography

Keith, as Chief Administrative Officer, steers the tech journey and oversees all things administrative – from Enterprise Solutions to Library Services. He’s the go-to for strategic guidance and smooth functioning across various key areas in the firm. Enthusiastic, skilled, and dedicated, Keith ensures everything runs like a well-oiled machine.

Keith is not just about managing administrative tasks; he adds a touch of finesse and professionalism to the mix. His dedication to excellence and organizational prowess make him the ideal choice for steering our firm towards efficiency and success.

Keith oversees the technical and administrative functions of our firm. His strategic planning skills and eye for detail ensure that every aspect of our administrative framework is masterfully managed, allowing our legal professionals to focus on their core business with confidence.
