Biography

EDUCATION

- Juris Doctor, University of Alberta, expected completion 2024
- Bachelor of Science in Mechanical Engineering (with Distinction), University of Alberta, 2020

Liam is joining Miller Thomson as a first year summer student.

Prior to attending law school, Liam obtained a Bachelor of Science in Mechanical Engineering from the University of Alberta. As a student in the cooperative education program, he worked in the manufacturing and construction industries. He received several awards for academic excellence throughout his degree, including the Shell Canada Dean of Engineering and Roland Stansfield Young Memorial scholarships.

In his free time, Liam enjoys walking his dog, biking, cooking, and reading.

Industry involvement

Community roles

- Elementary School Volunteer, 2016-2020
