Anglais

Lisa Goodfellow is your go-to advisor for all things related to human resources in the workplace. From wrongful dismissal claims to human rights accommodation issues, labour arbitrations and collective

bargaining, Lisa offers comprehensive service to employers, guiding them through the complexities of labour and employment laws and offering practical solutions tailored to each client. With practical, proactive and responsive advice, Lisa supports you in achieving your business goals.

Lisa's engaging presentations, like those at the Employment Law Masterclass and Lancaster House's Webinar Series, showcase her commitment to staying at the forefront of legal developments. Through her wide array of publications, from labour and employment communiqués to contributions in reputable magazines, Lisa demonstrates her dedication to informing and educating the public. She is active in the Labour and Employment community, including the Canadian Association of Counsel to Employers, the American Bar Association Labour and Employment Section, and the North American Transportation Employee Relations Association.

Lisa's accolades speak for themselves. Recognized by esteemed bodies like The Best Lawyers in Canada, Lexpert, and Chambers Canada, her knowledge and experience are top-notch. As an experienced instructor, Lisa not only practices law but also imparts knowledge to the next generation of professionals. She is a sought-after author and lecturer on employment law topics, bringing a wealth of legal know-how to every interaction.
