Biography

BAR ADMISSION

Quebec, 1979

EDUCATION

- B.C.L., Université de Montréal, 1978

LANGUAGES SPOKEN

English, French

Louis-Michel Tremblay is a seasoned construction law practitioner, with a client base including mining companies, factory owners, and energy companies. He excels in mediation and arbitration within construction law, focusing on clients' additional costs during projects. With a rich history of leadership within legal associations, Louis-Michel has received consistent recognition as a top lawyer in construction law, highlighting

his expertise and dedication.

Academically, Louis-Michel's qualifications speak volumes about his knowledge and expertise. With a B.C.L. from the Université de Montréal, he continues to contribute significantly to the legal community through insightful presentations at various conferences, enhancing the understanding of complex construction law matters. Louis-Michel's dedication to ongoing learning and sharing knowledge underscores his commitment to providing top-tier legal services to his clients.

Louis-Michel's accolades are extensive and impressive, reflecting his excellence in the legal field. From being consistently recognized in "The Best Lawyers in Canada" for multiple categories to earning distinctions in Chambers Canada and Canadian Legal Lexpert Directory, his reputation as a leading construction lawyer is well-established and widely acknowledged. His commitment to excellence shines through these prestigious acknowledgments.
