## Biography

### EDUCATION

- Certified Specialist in E-Discovery (CEDS) designation
- Relativity Certified Master title which includes the following certifications: Relativity Certified Administrator, Relativity Analytics Specialist, Relativity Project Management Specialist, Relativity Review Management Specialist and Relativity Processing Specialist
- Relativity One Review Pro

Marie José, part of our eDiscovery Services team, brings over 15 years of valuable experience in law firms specializing in paralegal and eDiscovery work. She skilfully assists legal teams and clients with document-related tasks, using her knowledge of platforms such as Relativity and Nuix Discover. With a college diploma and a university degree, as well as a Relativity Master certification, Marie José brings meticulous attention to detail to all of her endeavours.

In addition to her professional responsibilities, Marie José is recognized for her ongoing support to teams and clients in document collection, review and trial preparation. Her valuable contribution to the team demonstrates her dedication and expertise in managing modern legal challenges.

Marie José's expertise is demonstrated through her hands-on involvement in document collection, review, case assessment, research, production and trial preparation. With a strong educational background in paralegal technology and mathematics, coupled with her certification as a Relativity Master, Marie José excels at efficiently navigating multiple eDiscovery platforms. Her commitment to excellence and precision makes her a key asset to any legal team or client seeking top-notch eDiscovery support.
