LANGUAGES SPOKEN

English, French

Nicole D'Aoust is a sought-after partner focusing on charity and not-for-profit law. With experience in organizational structure, governance, tax, compliance, and more, she assists clients across Canada in both French and English. She serves on various legal committees and was appointed to the federal government's Technical Issues Working Group. Nicole's background includes tax, litigation, and dispute resolution with a big four accounting firm before joining the firm.

Nicole is not only academically accomplished, but she is also deeply involved in sharing her knowledge through various publications and speaking engagements. Her proactive approach to legal issues shines through her work, offering clients a blend of legal proficiency and dedication. Engaging, knowledgeable, and passionate, Nicole is a standout choice for individuals or organizations in need of a skilled legal professional in the charity and non-profit domain.

Nicole carries an impressive track record, having completed extensive training such as CPA Canada's In-Depth Tax Course and various legal publications. She holds a JD from the University of Ottawa and has a deep-rooted passion for law and community involvement. Nicole's commitment extends to speaking engagements at prominent conferences, where she shares her insights and experience with passion and dedication. With a versatile and experienced background, Nicole is a reliable choice for navigating complex legal matters in the charitable and non-profit sector.
