Piper is building her commercial litigation practice. She has experience assisting clients in a range of areas including shareholder disputes, breach of contract, injunctions, real property disputes, and appeals. No matter the circumstances, Piper works to understand her clients' needs and goals so that she can provide them with honest, to-the-point advice.

Before joining Miller Thomson, Piper honed her skills at a mid-sized law firm in Hamilton, Ontario, where she focused on a broad spectrum of general commercial, corporate, and civil litigation matters.
