LANGUES

Anglais, Anglais, Punjabi, Punjabi

Ravneet is currently pursuing a law degree at the University of Saskatchewan.

Prior to attending law school, Ravneet received her Bachelor of Science in Biological Sciences with Distinction from the University of Alberta. During her undergraduate degree, Ravneet volunteered as a Meal Server at Hope Mission and was an executive member of various student organizations.

After her undergraduate degree, she co-authored a scientific literature review under the supervision of Dr. Carlos Fernandez-Patron titled "The emerging role of epigenetic mechanisms in the causation of aberrant MMP activity during human pathologies and the use of medicinal drugs."

Ravneet has won a number of awards including the Law Society of Saskatchewan Scholarship, the Alberta Innovates Summer Research Studentship, the Jason Lang Scholarship, and the Louise Mckinney Post-Secondary Scholarship.

In her spare time, Ravneet enjoys reading fiction, puzzles, staying active and spending time with family and friends.
