Anglais

Regan O'Neil's practice focuses on private company tax and corporate matters, including commercial transactions, tax reorganizations, and mergers and acquisitions. With a diverse clientele ranging from startups to established businesses, Regan serves as a trusted legal advisor. His knowledge and experience extend to tax-efficient structuring, mergers, acquisitions, and corporate commercial issues, offering timely

guidance and drafting essential agreements for clients.

Regan is a regular presenter and speaker on tax, corporate, and commercial matters and has made significant contributions to the legal profession, including as past-Chief Editor of Miller Thomson Tax Notes. His insightful articles cover various tax implications and planning strategies, solidifying his position as a thought leader in the field of tax and corporate law.

Regan showcases his commitment to professional excellence as a proud member of the Law Society of Alberta and the Calgary Chamber of Commerce, where he has received the Committee Chair of the Year Award. He has also completed the In Depth Tax Course offered by the Chartered Professional Accountants of Canada.
