Rohit Kumar is a seasoned litigator with experience in complex commercial litigation, focusing on securities law, professional discipline and liability and regulatory compliance. He skillfully handles cases in various

courts and administrative tribunals, prosecuting and defending allegations of professional misconduct and fraud, and guiding clients through shareholder disputes and breach of contract matters. Rohit's background includes roles at what is now the Canadian Investment Regulatory Organization, providing him with valuable insight into compliance and enforcement activities.

Rohit's commitment to legal scholarship and staying at the forefront of legal developments is demonstrated by his contributions as a lecturer for the University of Windsor Faculty of Law Securities Law Course and frequent presentations to regulatory bodies and administrative tribunal members.

Recognized as a Litigation Star by Benchmark Canada and featuring in the Canadian Legal Lexpert Directory for Corporate Commercial Litigation, Rohit's legal prowess is well-established in the industry, showcasing his dedication to excellence and client success.
