Terry Warner, your go-to for all things financial services and insolvency law, shines in the realm of corporate and commercial litigation, bankruptcy, and collections. With a knack for navigating insolvency legislation and

corporate reorganization, Terry's broad legal is evident in his vast experience with major commercial transactions and insolvency court proceedings across various jurisdictions. When it comes to his litigation practice, Terry tackles a diverse array of issues ranging from directors' liability to intellectual property matters with finesse and precision. His insightful articles and engagement in legislative review underscore his commitment to remaining at the forefront of the legal landscape.

Dedicated to sharing his knowledge, Terry not only practices law but has also imparted his wisdom as a business law instructor at Grant MacEwan College. His past presentations at esteemed legal seminars and involvement in professional bodies like CAIRP showcase his commitment to continuous learning and development in the legal field.

Embracing professional excellence, Terry is an esteemed member of the Law Society of Alberta and actively contributes to various sections of the Canadian Bar Association. Recognized as a leading legal mind, his inclusion in The Best Lawyers in Canada for over a decade underscores the trust and respect he commands in the legal community.
